#### **4. VetJobs Recommends: Impending Crisis: Too Many Jobs, Too Few People**

From time to time, VetJobs recommends books or articles that we find enlightening. Roger Herman's book "Impending Crisis: Too Many Jobs, Too Few People" is another excellent find that is on the Business Book Best Seller List. Here is an excerpt provided by the author:

"Heard about the labor shortage? It's real! We're at the beginning stages of the most severe shortage of skilled labor in our country's history. Employers will be challenged like never before to attract and hold top talent. With their training, experience, maturity, and dedication, veterans will be prime targets for recruiters as competition for good people intensifies." Learn what's coming, why, and what you can do about it in the Business Best Seller, Impending Crisis: Too Many Jobs, Too Few People. This well-researched hardcover book is filled with information employers need to know. Written as a wake-up call for Corporate America by workforce futurists Roger Herman and Joyce Gioia, with measurement specialist Tom Olivo, this is a book you want to read before your competitors do!
